

POWER
Crimping Device by securos

introducing the 4th generation crimping device

Another SECUROS original!

- 5 x **more power** than the original crimping tool
- Same **precise** crimp as the original
- Works with **SECUROS 40#, 80#, 100#** and **OrthoFiber Suture**
- Only need to crimp the tube once, not three times
- 66% **faster**
- Less user errors
- **Innovative** crimping pattern to ensure optimal security
- **Smaller** tool for easy handling
- More **ergonomic**
- Specially designed crimp clamps
